

2022-24 Strategic Plan *At-A-Glance*

Mission

Empowered by members to champion the profession of architecture.

All of the goals, strategies, and tactics of the Strategic Plan are intended to refine the focus of AIA Illinois by:

- Advancing the mission of AIA Illinois in serving and supporting its members;
- Championing the profession of architecture as empowered by its members; and
- Demonstrating the organization's commitment to members in all of its actions.

GOAL 1 Empower Our Members

Offer member-centric support and service, continually demonstrating the value of membership by equipping members to succeed.

- A. Equity and Inclusion** – Broaden the representation of and engagement from members across the diverse range of ethnicity, gender, career stage, practice setting, and location.
- B. Communications** – Keep members informed on key issues and topics through curated content delivered across a variety of media and platforms.
- C. Emerging Professionals** – Increase the involvement and engagement of emerging professionals by serving as their leadership development 'go-to' and guide.

GOAL 2 Champion the Profession

Serve as the unified voice of architects in policy arenas and public forums, advocating for issues of importance to the profession.

- A. Advocacy** – Recognizing that advocacy encompasses more than just legislative and regulatory affairs, advocate for healthy, just, and equitable communities for all.
- B. Public Outreach** – Tell the story of architects and architecture externally so the greater public better understands our value in contributing to societal well-being.
- C. Pathway Development** – Educate and inspire youth, especially those from minority groups and communities, to pursue the profession of architecture.

GOAL 3 Deliver Special Programs

Provide professional development for members at all levels through relevant content, networking opportunities, resources, and connections.

- A. Membership Programs** – Create a 'single AIA' experience for members of the AIA within Illinois, promoting the regional connection among local components and members.
- B. EP Programs** – Provide meaningful and compelling touchpoints for emerging professionals, including students, associate members, and young architects.
- C. Revisit Programs** – Develop programing that not only serves the professional needs of members but also demonstrates architects' commitment to improving communities.

GOAL 4 Thrive as an Organization

Drive the daily leadership and management of AIA Illinois to be a model of efficient and effective organizational culture.

- A. Unified Efforts** – Build greater internal and external coalitions to benefit members by seeking, strategizing, and collaborating with complementary organizations.
- B. Solid Financials** – Conduct business through sound monetary and fiscal practices, focusing on revenue development and budget adherence to maintain financial goals.
- C. Vibrant Operations** – Assure that AIA Illinois functions optimally on behalf of its members, maintaining flexibility and adaptability and demonstrating organizational resilience.

2022 Action Plan

Goals / Strategies / Tactics	Tasks	TF/Comm	Staff	2022 - 23					
				Q1	Q2	Q3	Q4	Q1	
1. EMPOWER OUR MEMBERS – Offer member-centric support and service, continually demonstrating the value of membership by equipping members to succeed.									
A. Equity and Inclusion – Broaden the representation of and engagement from members across the diverse range of ethnicity, gender, career stage, practice setting, and location.									
1. Ensure that the profession and the organization are attractive, appealing, and accessible to traditionally underrepresented individuals and groups.	1 - Distribute coloring book / 2 - Scavenger hunts / 3 - Architecture month recognition / 4 - See 2.C for initiatives related to the profession	JEDI TF	AM		Q2	Q3			
B. Communications – Keep members informed on key issues and topics through curated content delivered across a variety of media and platforms.									
2. Elevate member awareness of key environmental, social, and economic issues confronting citizens in the state and explain why these are important advocacy topics.	1 - Eblasts / 2 - Programming (annual conf)	Communications	AM	Q1					
C. Emerging Professionals – Increase the involvement and engagement of emerging professionals by serving as their leadership development 'go-to' and guide.									
1. Advocate for firms to sponsor and support membership for emerging professionals, including associate members and young architects who want to be involved.	1 - Investment letter stating why the firm benefits from EP's being involved in AIA (IL/Local?National) / 2 - Survey firms - see if financially support EP's	BoD TF	EK		Q2	Q3			
2. Develop & continue to refine a stepped mentorship program for early career through senior-level professionals, similar to the "Mentoring Family" program.	1 - Check w/ AIA Chicago - Mentor Program, Bridge, etc / 2 - Work w/ Todd H on his ideas / 3 - Check w/ EP's on what they see as important	BoD TF	EK				Q4		
2. CHAMPION THE PROFESSION – Serve as the unified voice of architects in policy arenas and public forums, advocating for issues of importance to the profession.									
A. Advocacy – Recognizing that advocacy encompasses more than just legislative and regulatory affairs, advocate for healthy, just, and equitable communities for all.									
1. Working with other AIA components, develop a 'Regional Statement' format for crucial issues, such as climate action, to guide policy support and legislative direction.	1 - Outreach to Execs / 2 - Demonstrate local benefits of Legislation / 3 - Identify Regional Champions on climate action	BoD TF	SP	Q1	Q2				
3. To expand advocacy efforts, create a formal 'Advocacy Development Plan' that includes a multi-year budget and schedule.	1 - Dashboard for Board (ongoing) / 2 - Include targeted advocacy strategy (for immediate year and short term efforts) with an annual prelim budget; the plan is reported out on a quarterly basis as to tracking against prelim plan/budget, and update is available online for member reference / inquires	ExComm	SP	Q1	Q2	Q3	Q4		
B. Public Outreach – Tell the story of architects and architecture externally so the greater public better understands our value in contributing to societal well-being.
